Stunning Fully Renovated 3-Bedroom Semi-Detached Home - High Spec Finish, Prime Location

This exceptional three-bedroom semi-detached property has been meticulously renovated and extended to an impeccable standard, offering turnkey living just a short stroll from the town centre. Perfect for those seeking a stylish, low-maintenance home finished to the highest specification, this home blends luxurious modern living with timeless design touches.

No detail has been overlooked - the property benefits from a full rewire, replumbing, new roof, new windows, and a ground floor extension that transforms the rear of the home into a breathtaking open-plan kitchen, living, and dining space. With bespoke features and thoughtful design throughout, this space feels like something straight out of a lifestyle magazine.

Step inside through a welcoming entrance hall and into the elegant front reception room with walk-in bay window. To the rear, the showstopping open-plan living area boasts a handmade kitchen with a large central island, fully integrated appliances, and quartz worktops. Solid oak flooring flows seamlessly through the space, complemented by column radiators and muted, calming tones. Two roof lanterns and expansive bifold doors flood the room with natural light, while a cosy log burner in the sitting area adds warmth and character.

A practical utility room, downstairs WC, and additional storage complete the ground floor.

Upstairs offers three well-proportioned bedrooms and a beautifully finished main bathroom.

The rear garden is a true highlight – south-facing and a fantastic size, perfect for entertaining with a large terrace area. To the back, a brick-built shed already equipped with power, internet, and water offers superb potential as a garden office or studio. There's also side access to a single garage and a driveway at the front providing off-road parking for at least three vehicles.

This truly is a rare opportunity to purchase a home where all the work has been done – simply move in and enjoy.
