This unfurnished well-presented one-bedroom ground floor flat offers a cosy and practical living space. The living room is bright and welcoming, with patio doors that open directly outside to bring in natural light and provide easy access to outdoor space. The kitchen is compact yet fully fitted with appliances, combining convenience with functionality and a surprising amount of storage. The double bedroom is a good size for the property, and the bathroom has been newly renovated with a fresh, modern finish and a powerful Mira Sport shower.

The flat has been redecorated throughout and fitted with new energy-efficient wi-fi controllable electric radiators. Allowing you to control the heating from afar and keep running costs low. The water heater also benefits from a wi-fi controlled panel. An allocated underground parking space is also included, making this small but thoughtfully updated flat a comfortable and convenient choice right in the centre of Stratford.

Sorry no pets.
