MAIN COURSE

This is a light, well-proportioned flat that has been sensitively renovated to make the most of its setting within a listed building. Characterful beams run throughout, giving the home real warmth and charm, while the recent upgrades bring in modern touches that make it easy to live in day-to-day.

The large living area is a standout space – bright, inviting, and full of character, with exposed beams adding texture and personality. There's plenty of room to relax or entertain. The modern kitchen is also a good size, with space for a breakfast table, and has been fitted with contemporary appliances and finishes that sit comfortably alongside the building's original features.

There are three bedrooms. The main bedroom is a generous double with its own ensuite WC. The second bedroom is another good-sized double with exposed beams that add to the sense of charm. The third bedroom has reduced head height, making it ideal as a study, dressing room, or occasional bedroom.

The bathroom has been finished to a high standard, with both a bath and a separate shower cubicle.

Outside, there is off-road parking accessed via an electric gate for added security.

Available start of December.
