MAIN COURSE

A beautifully extended four-bedroom family home, ideally situated within easy walking distance of local amenities, schools, and everyday conveniences.

The ground floor is perfectly designed for family living, featuring a versatile study—ideal for home working or homework time—a convenient WC, and additional storage. At the heart of the home is a spacious open-plan kitchen, dining, and living area, creating the perfect space for spending time together. A large skylight and patio doors fill the room with natural light and provide easy access to the garden. The modern kitchen comes fully equipped with a fridge freezer, dishwasher, oven, hob, and washing machine.

Upstairs, the first floor offers a generous principal bedroom with a contemporary ensuite shower room, along with a second double bedroom, currently used as an additional family living space—perfect as a playroom or snug.

The second floor provides two further bedrooms, including a comfortable double and a good-sized single, ideal for children or guests. A modern family bathroom with a shower over the bath completes this level.

Outside, the low-maintenance rear garden offers a safe and practical space for children to play, along with a storage shed for bikes and outdoor equipment. A rear gate leads directly to the allocated parking space and separate garage, making day-to-day family life even more convenient.

A pet is considered at an additional £50 pcm.
