the first floor is the stylish family bathroom, finished with modern tiling and contemporary fittings.

Externally, the rear garden is beautifully maintained and enjoys a desirable west-facing aspect, allowing it to soak up the afternoon and evening sun. A generous patio area provides the perfect setting for alfresco dining and entertaining, while the lawned garden is framed by mature trees and planting, creating a wonderfully private and attractive outdoor space. The garden also offers direct access into the garage via a separate side door, alongside gated side access leading conveniently back around to the driveway.
