A Beautifully Refurbished Grade II Listed Cottage in the Heart of Old Town.

Having recently undergone a comprehensive refurbishment to an exceptional standard, this stunning Grade II Listed cottage perfectly blends period charm with stylish contemporary living. Situated in the heart of Old Town, just a short stroll from the town centre, the property offers beautifully presented accommodation throughout, a generous rear garden and a useful cellar.

The welcoming sitting room is full of character, featuring an attractive exposed brick fireplace with a wood-burning stove, creating a cosy focal point. A front-facing window fills the room with natural light, while quality wood-effect flooring flows through into the adjoining dining room, where a second feature fireplace (currently closed) provides further character and charm.

From the dining room, steps lead down to the cellar - a versatile space with exposed brick walls, flagstone flooring and a lightwell, offering excellent storage or potential for a variety of uses.

The recently refitted kitchen has been thoughtfully designed with an attractive range of shaker style wall and base units complemented by wooden work surfaces and a ceramic one-and-a-half bowl sink. Integrated appliances include a fridge/freezer and dishwasher and cooker with gas hob and extractor hood. A separate utility area provides additional storage and space for a washing machine,

together with a cloakroom comprising a WC and wash hand basin.

To the first floor are two generous double bedrooms, both benefiting from fitted wardrobes, along with a beautifully appointed family bathroom fitted with a large walk in shower, WC, pedestal wash hand basin and useful linen cupboard.

Outside, the rear garden is a real highlight. Beautifully enclosed and enjoying a high degree of privacy, it has been thoughtfully landscaped with a paved seating area, lawn, mature planting and established trees, creating a wonderful space for relaxing or entertaining. To the rear of the garden is a potting shed providing useful storage.

Combining character features with the benefits of a high-quality refurbishment, this delightful cottage is ready to move straight into and would make an ideal first home, investment or lock-up-and-leave property in one of the town's most sought-after locations.
